AUTHENTICATION & INFORMATION REQUEST PROCEDURE

This form is designed for those who wish to

- authenticate an artwork considered to be the work of Julio González, or
- request complementary information or research in relation to a work attributed to Julio González.

We thank you for your request, and invite you to **follow the following steps**:

- **Fill out and sign** the following **authentication and/or research request form**
- **Provide** the requested **complementary information** (see below),
- **Wire** the **required fee of 300 euros to Julio González Administration** (please identify yourself as the initiator of the transfer):

Account information :

- Bank code: 10107 Branch code: 00293 BIC code: BREDFRPPXXX
 - Account number: 00219053280
 - IBAN: FR76 1010 7002 9300 2190 5328 053

In order to finalize your request, please send the form and the requested supporting elements to Philippe Grimminger at the following email address:

philippe.grimminger@juliogonzalez.org

Upon reception of the **wire transfer** and the **totality of the requested documents and information**, our international committee of experts will begin the authentication and/or research process. Should an in-person examination of the work prove necessary, this will be organized in Paris at the cost of and in concertation with the initiator of the authentication process.

Please note that the average time frame to complete the authentication and/or complementary information process is **15 days minimum**.

If the authentication process allows for a definitive attribution of the work to Julio González, a certificate of authenticity can be issued by Julio González Administration at an additional cost.
